Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<ul style="list-style-type: none"> • Fine Art / Visual art • Media-art • Photography • Animation e.g. videomapping • Scenography and performance • Music and performing arts • Any other field of art <p>We are also looking for partners who are interested in providing the project artist team spaces to work in and people to work with, collaborate and exhibit their works, e.g. production spaces, art centers, festivals, museums and unusual, unconventional locations for art.</p>
Description or summary of the proposed project	<p><i>Experimenting with European light and darkness in multi-art workshops and artist collaborations.</i></p> <p>The notion of light has many characteristics in Europe. Light makes things visible to the eye. Consequently, some things remain overshadowed, things that we consciously or unconsciously leave unseen or fail to notice. In European Light Project we aim to shed light on invisible (or dark) things and places that we usually ignore or simply cannot see, or things that are still in a process of taking shape or appearing.</p>

	<p>The project activities will include:</p> <ul style="list-style-type: none"> • Discussing, investigating and working on the themes of light and darkness in collaboration with multinational group • Participation to experimental light-related workshops in multi-art encounters in northern, southern, eastern or western corners of Europe • Hosting workshop(s) of the artist group participating the project • Curating artworks and artists participating the project • Exhibiting artworks and/processes of making artworks • Knowledge sharing and publishing
Partners currently involved in the project	-
